COMPANY PROFILE:

INFOWIZ, registered under Government of Indian Company's Act and certified by ISO Certification 9001:2015 with the sole aim of imparting quality industrial training and services through a unique and efficient delivery mode. It has an extensive experience of training students and has been a National Award Winner for 3 consecutive years. INFOWIZ is North India's leading Industrial Training Company and has evolved into a trustworthy brand in the training industry. INFOWIZ is located in Chandigarh & Bathinda and is equipped with a committed team including experts and technical trainers who ensure quality and effective training solutions on latest technologies.

INFOWIZ embarks upon a step further regarding industrial training with placements. We provide in-house training aided by a strong placement and consultancy wing. We impart industry based effective training and excellent placements by bolstering the students with technical and soft skills. We have placed students in several reputed organizations like DRDO, NTPC, Indian Railways, MTS, HCL Technologies, Wipro Ltd, Infosys , Accenture, TCS, Tech Mahindra, Autocop Industry Ltd, ITC, Havells, Philips, etc.

OUR MISSION:

To bring to the students the best possible training with provided skills so that the students get the placements and advancement in their professional lives on a higher pedestal. We aim to deploy the best of our infrastructure and team of experts in educating and training the students with the necessary skills .

- ★ To promote technical education.
- ★ To provide value-based education and make a difference.
- ★ To provide best and sustainable services and solutions to clients.
